# PLAYGROUND RE-FURBISHMENT

FoCS is raising funds to re-develop the small playground. In consultation with the school, we have come up with a plan for the new-look playground. The current wooden structure will be removed as part of the re-furbishment.

## The new features will include:

- A Twist Net Pyramid climbing area on artificial grass.
- A Ball Zone with shatterproof targets.
- An Art Zone with double-sided chalkboards and integrated seating.
- A Friendship Zone with sturdy, durable timber benches.
- A Role-play Zone with a large, raised timber stage.
- An Activity Trail (line markings).

So far we have raised approximately half of funds needed and we thank you for your ongoing support.

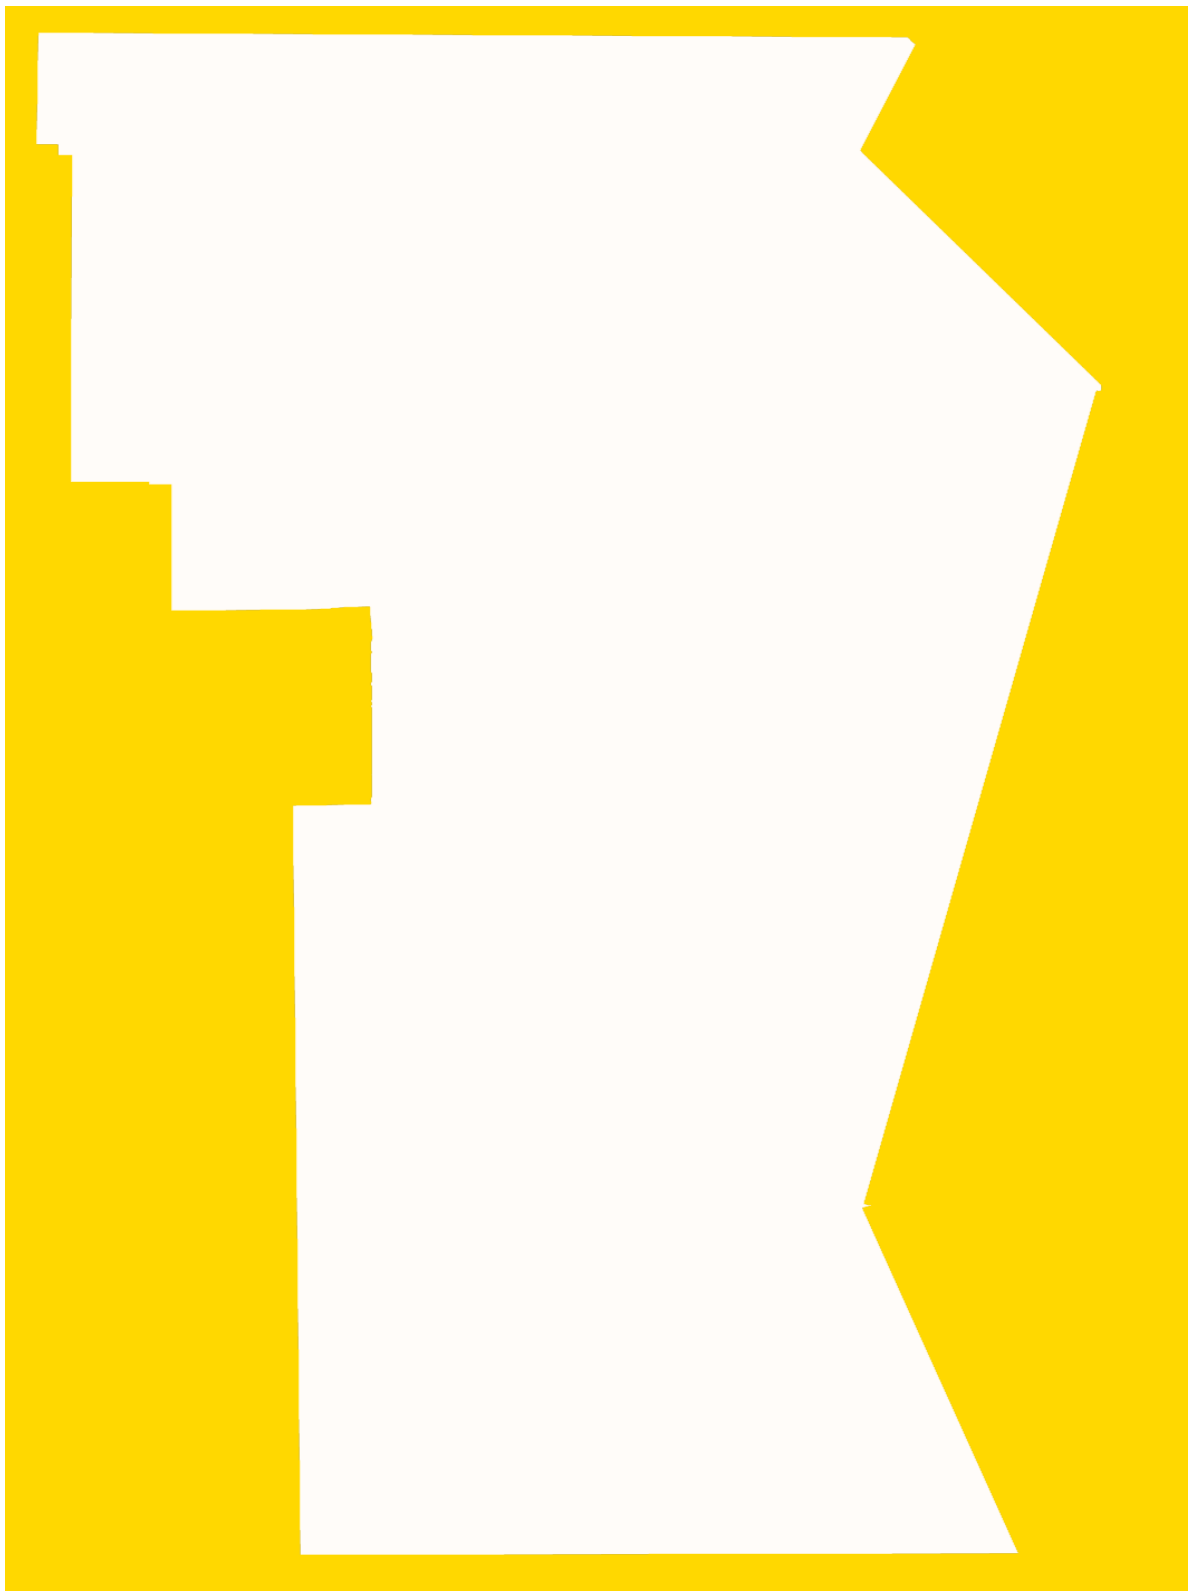

Please help us by supporting our future events.

# Activity Trail Competition

Look at the Activity Trail (line markings) on the picture overleaf and use the outline of the small playground below to design your own version of one section of the trail. Please give your section a title, eg 'Walk' or 'Skip'.

If we have a suitable winning entry, it can be incorporated into the final playground design so please think carefully! Your design must be clear and simple as it will be painted by a machine onto the playground.

Please put all entries in the FoCS Box outside the Office. Closing date is Wednesday 7 June 2017.
