It's Spring! This can only mean one thing. It's time for…

'The Year 6 Springtime Fling!'

Friday 13th May from 4.30-5.30pm

Year Six are invited to an exclusive disco in the school hall at Chase Side. The cost of the disco will be £3.00 per child, or if you have more than one child in year six, the cost will be £5.00 per family.

We ask that parents do not stay unless you would like to help run the event, in which case, please see the tick box below. We would very much welcome your support and must remind you that if there are an insufficient number of helpers, the disco will not go ahead.

Please give us as much information as possible on the slip below to support us at the end of the disco. If you have any queries or special requirements, please contact a member of FOCS, your year rep, or pop a note onto the slip below.

To ensure the safety and wellbeing of your children, any mobile phones will need to be put into a safe box, which will be locked away for the duration of the disco and returned to the owners at the end. Thank you for your support with this. As with all of our events and for the benefit of all concerned, if a child were to behave inappropriately, the parent/carer will be contacted and we will ask for them to be collected.

The entrance fee must be prepaid. Your form and money must be in a sealed envelope, and put into the FOCS dropbox just outside the school office (envelopes are provided next to the dropbox). We ask that you do this by no later than **Wednesday 11th May**. No forms will be taken after this date and **NO TICKETS WILL BE AVAILABLE ON THE DOOR.**

Please ensure we have your contact numbers in case of emergency. We look forward to a successful and enjoyable event.

FOCS Year 6 Springtime Fling, Friday 13th May
