

Friends of Chase Side FOCS

"The Friends of Chase Side" will be holding a Valentines Disco for children in Years 4, 5 & 6 on **Friday 13th February from 4.15pm until 5.30pm.**

The event is only for children at the school and due to space, it may necessary for us to limit the number of children that are present.

We also ask that parents **do not** stay, unless you would like to help run the event with the FOCS (please see tick box below). Unfortunately, if we have insufficient helpers, the event will not be able to go ahead.

If somebody else is collecting your child, then please let us know when you drop them off. Please do not hesitate to contact a member of FOCS or your Year Rep if you have any special requirements.

It is our policy that NO child will be allowed to leave the event without an adult.

Our last disco was a great success and enjoyed by all. However, for the benefit of all concerned, if your child behaves inappropriately, we will contact you and ask you to collect them.

The cost of the Disco is £3 per child, or if you have more than one child in Year 4, 5 or 6 at the school, the cost will be £5 per family. Please state on the form below how many tickets are required and the names of those attending.

To enable us to cut down on "queuing time", please pre-pay the entrance fee. For administration purposes, please ensure your form and money is handed in by **Wednesday 11th February**. No forms will be taken in after this time. Tickets will be issued on Thursday 12th February. If there are any spaces left, you will be able to pay on the door. However, 50p will be added to the entrance fee.

Please ensure we have a contact number for you in case of emergency.

FOCS Valentines Disco - Years 4, 5 & 6 ONLY - Friday 13th February 2015
